RE: Request Hearing status for Utility Patent Application 10/693,385.

Dear Board of Patent Appeals and Interferences:

On January 3, 2007, a request for a hearing concerning Utility Patent Application 10/693,385 to be revived was submitted. As of date, no reply from United States Board of Patent Appeals and Interferences has been received. The status of the requested hearing of patent application 10/693,385 is essential as this continues to move forward. Thank you for your time.

Sincerely,

A handwritten signature in black ink, appearing to read "Dionna O. Parker", with a long horizontal flourish extending to the right.
